I am Enthusiast and agile person, always ready to learn new things. Passionate about technology, design and business along with project experience in software development. Always ready to work in a challenging and fast paced environment.

Work Experience

Android App Development

Internshala
May 2020 – July 2020

Internshala Trainings, Online

- Successfully completed a six weeks online certified training on Android App Development. The training consisted of Introduction to Android, World of Kotlin, Android Kick-Off, Higher Order Functionalities and The Final Project modules. I scored 100% in the final assessment and was a top performer in the training.

Education and Certifications

- **Bachelor of Technology [IT]** ,
University School Of Information and Communication Technology (GGSIPU). **2018–present**
- **CBSE 12th**, Govt. Co-Ed, Sarvodaya Vidyalaya, Sector-2, Rohini, Delhi. **2017–2018**

Technologies and Languages

- Languages: Java, Kotlin
- Technologies: SQL, Firebase, WordPress, Git, Excel, Android Studio
- Other: Data structures and algorithms, Adobe Illustrator, Adobe Photoshop, UX/UI.

Projects

- **My Memory App** - "My Memory" is the classic picture matching game - find pairs of matching cards that start face down. Made with Kotlin and Android Studio. See the source on [GitHub](#).
- **Dopamine Box App** - A unique todo list app made with kotlin in Android Studio. See the source on [GitHub](#).
- **MED-6** - A medical token system and chating website & I worked on UI and UX of this website. Made during HackOver Hackathon with the help of other team members.
